Please briefly describe the gifts and skills this nominee would contribute to the position.

I have served in many leadership capacities in both Lutheran Campus Ministry at Western Washington University and Lutheran Student Movement USA. I am very passionate about the church and want to see it continue to dedicate itself to social justice and faith development and I believe to do that the church has to constantly be growing and changing. As a young adult in this church I feel that I bring a unique view of the world and a real understanding of the diverse needs that are presented by my generation and younger generations. I love the church and the people of the church and want to work to make sure we are able to sustain our community and grow.
